**Brief Summary of Selected Substantive Portions of this Response**

[0001] In a telephone discussion (on March 19, 2008), the Examiner indicated that the proposed amendments discussed during the interview likely overcame the rejection. Specifically, the Examiner agreed that the currently cited art failed to teach or suggest determining a portion of the image by looking at the amount of change occurring in the portion during the course of the image generation.

**[0002]** This brief summary is not intended to represent the Applicant's full response to the Action. Rather, it is merely a brief summary of selected substantive portions of the response herein.
